

Golder Ranch Fire District

Regular Memo 18-003

Date: February 14, 2018

To: All GRFD Suppression Personnel

From: Eric Perry, Deputy Chief - Training

Subject: Training Cadre

The Training Division received an overwhelming amount of interest from many highly qualified and motivated individuals to become part of the Training Cadre. I appreciate everyone that submitted interest in the training cadre for Academy 18-01. The final selections were based on the individuals' qualifications as well as previous experience and involvement in training.

Please join me in congratulating Captain Lenny Fimbres and Engineer Shan Pettit in their selection to the GRFD training cadre. This will be a temporary assignment beginning February 26th and lasting for the duration of Academy 18-01 which is slated to end June 15th.
